

MRMLSMobile.com allows you to search for Residential, Residential Lease, Residential Income, Land, and Mobile listings throughout Southern California on a mobile device. You can also search for Open Houses while you are away from the office.

Before using MRMLSMobile.com, make sure your mobile device is data-ready and has an HTML web browser. Access to MRMLSMobile.com is free; however, data charges from your wireless provider may apply.

Step 1: Go to www.mrmlsmobile.com on your mobile device, enter your account information, and click Login.

Note: If you have a SCOUT password, leave the PIN field blank and input your SCOUT password into the SafeMLS Token field.

Step 2: Click the **Open House** link, enter your search criteria, and click **Search**.
